

A group of approximately ten young children are sitting in a line on a purple mat on a paved surface. They are dressed in various colorful clothing, including jackets, sweaters, and boots. The children are looking in different directions, some towards the camera and others away. In the background, there is a brick building with large windows and a small entrance. The overall scene suggests an outdoor activity or gathering at a school or community center.

support adults
learning about
young children.
PLAY ON PURPOSE

"Children are
made readers on
the laps of their
parents."
~ Emilie Buchwald

A child read to
every day will
hear 1,000,000
more words than
a child not read
to. Give the gift of
reading to your
child.
