

Support our biggest fundraiser at the Gorge Amphitheater for a SUMMER of FUN!

Simply put,

The Gorge Amphitheater is our biggest fundraiser of the year. We sell the *best* loaded chicken and fries at our booth "The Coop" at The Gorge. TEAMS receives eight percent of the participants sale, we also split cash tips at the end of the night, and there is an end of the season check and party in October to celebrate all volunteers!

In the past six years as a non-profit, TEAMS has raised nearly \$200,000 at The Gorge - **AMAZING!** This has allowed us to serve almost 100 children per day, with a high-quality early childhood education. As a non-profit, we offer scholarships to families in-need, so this fundraiser and partnership with The Gorge, supports *all* that we do.

The Coop has a reputation for our great food AND the crazy, fun, customer service we provide! **WE HAVE A BLAST** and our guests love that. We consider ourselves to be ambassadors for North Central Washington because we meet people from all over the country and all over the world. We want them to remember The Coop as an awesome part of their Gorge experience - all while promoting our fantastic early learning center.

So, what will you be doing?

Volunteers are needed for a variety of positions for each show. We need cooks, cashiers, and runners, we all help with opening and closing duties. The only requirement, is that you must be at least 16 years old, and ready to work!

What do you need to bring?

- First and foremost, bring your energy and your personality! ALL of it! Be loud, be proud, and be YOURSELF.
- Black pants or shorts and black, closed-toed comfy shoes. A uniform shirt will be provided.
- Your Washington state MAST permit and your WA Food Handler's Card. Don't have those? Once you sign up to volunteer, you'll receive an email with further instructions and the links you need to get the permits.

What's in it for you?

- All the chicken and fries you can handle! We will feed and water you all weekend.
- FREE CAMPING at The Gorge! TEAMS have their own camping area with access to the showers.
- FREE SHOWS! Our booth has the best view in the venue, and we want our volunteers to enjoy the full Gorge experience.
- Fun, family, friends, and lots and lots of laughter!
